## BEFORE YOU GO...

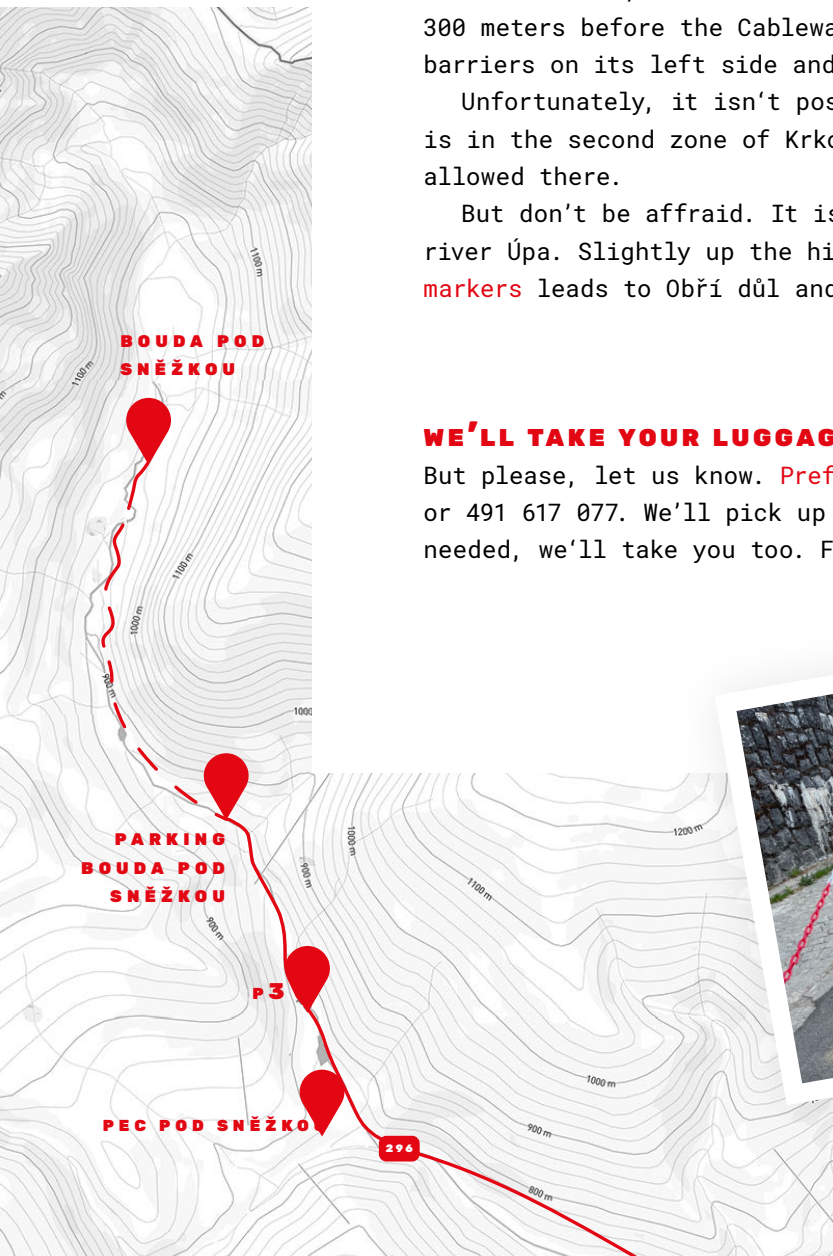

...we're sending you few important informations. So you won't be surprised.

Enter the „Pec pod Sněžkou“ into the navigation. Drive along the main road in Pec - to the right toward the Cableway to the peak of Sněžka. Park your car in our marked free parking places behind the red-white wire along the stone wall, numbers 10 to 18. It is situated approximately 300 meters before the Cableway. By the way.. just miss the parking with barriers on its left side and drive straight along bobsled track.

Unfortunately, it isn't possible to go by car further. Bouda pod Sněžkou is in the second zone of Krkonoše Mountains National Park and cars aren't allowed there.

But don't be affraid. It is only 2,5 km of pleasant walk along the small river Úpa. Slightly up the hill. From the parking lot **follow the blue trail markers** leads to Obří důl and after 25 minutes you are in our chalet.
